our strategy

“iCollege is positioned to become one of Australia’s leading online educators.”

Our strategy is to fuel the growth of these businesses via the use of our learning management platform, an innovative technology designed to make the student experience more flexible, dynamic and mobile.

Each education provider will be fully integrated into our existing corporate structure, accounting and management systems, organically increasing earnings before interest and taxes.

We will offer a range of accredited and non-accredited courses across all industries.

Providing a strong base for revenue growth through the successful integration of these businesses will be our focus this year.

our schools

iCollege is committed to offer students the courses and skills they need to excel in their careers; acquiring education providers to increase our training options is part of this process.

One of Australia's most diverse RTOs. With a combined scope of 70 accredited Nationally Recognised courses and many more non-accredited courses, MIA has been positioned for national and international expansion.

The company established its RTO operations in 2005.

In 2011 Management Institute of Australia set up a unique model in the Australian VET sector. This model involved developing a sophisticated, systems-driven RTO model which has been adopted by a range of private education business owners. The model is predicated by having a flexible training delivery utilising online platforms and strong compliance systems.

Management Institute of Australia is committed to the continuous development and transfer of knowledge to enhance professional performance for our students, corporate partners and stakeholders.

The 4 strategic directions are:

- 1 Steady and continuous growth in the number, geographic and key learning areas of franchisees.
- 2 Maintain a focus on nurturing learner engagement through the education process of franchisees.
- 3 Develop a sustainable design to take the RTO franchisee model to selected international markets.
- 4 Establish articulated pathways for our VET students into Higher Education.

There are 22 industries covered and range from entry level (Certificate II) through to senior management training (Advanced Diploma).

Industries includes

- Business
- Training
- Warehousing
- Logistics
- Beauty
- Massage
